  - Karyn niin Kitigade- she had emailed the town board asking about putting a backpacker on the town signs. Keith will check with Shawna to see if this is something that can still be added. There is also a 4th sign on County C that the town board initially missed in its review.

- **Fire District:** They were able to slightly lower the 2022 budget by shopping around for different insurance. They are considering adding additional money to their fire truck fund.
- **Recycling Center:** The shed was cleaned out and they are looking at getting rid of tires and electronics. There had been citizen concern about glass on the ground. This has been swept up.
- **Roads:** Judi did an inspection of the completed road work and it looks good. There was concern about the shoulder on the road heading towards Call of the Wild Campground. Judi talked to Brian and he and his people will look at it and fix it at no expense to the town.
